

Bill McAnally Racing

Hiring NASCAR Team Members for in shop and at track duties.
Based in Roseville, CA.

This is an exciting opportunity for eligible candidates to become a part of a Championship NASCAR Race team!

We are looking for energetic, enthusiastic and skilled employees to join us in Victory lane.

Duties will include, but not be limited to;

Mechanics –

- Rebuild chassis components, assemble race cars.
- Build and install drive train, oil system, fuel system, brake system.
- Assemble interior.
- Electrical wiring, gauges, charging system.
- Load and unload transporters, race-day tool and equipment carts.

Fabricators—

- Mig/Tig welding
- Cut, notch and fit tubing.
- Sheet metal work, grills, ductwork, crush panels, rocker panels.
- Mount and repair body panels.
- Fabricate brackets and mounts.
- Front and rear chassis repairs.

Employees with the right skill set and desire to succeed may have future opportunities to grow and transfer to a Team position on our Statesville, North Carolina-based NASCAR Truck Team.

Full benefit package available, including medical, dental and vision insurance, supplemental insurance options, and an IRA savings plan with Company match.

Salary negotiable based on experience at time of interview with 35K to 120K available based on experience, production and efficiency.

References and interview required.
