Job description

We are looking for qualified, candidates for Master Level and experienced Auto Technicians with the desire to become an ASE Master Technician for regular full-time positions at our state of the art auto care shops.

We offer competitive pay based on experience. Benefits, after successful completion of a 90-day introductory period, include medical, dental, vision, life and disability insurance options, supplemental insurance options, and a 3% Company match of employee IRA contributions.

Job Description:

- *Familiar with and experienced with working on all makes and models (majority gas and electric with some diesel, natural gas and hybrid)
- *Comfortable with diagnosing the cause of any malfunction or needed repairs
- *Perform vehicle maintenance with efficiency and accuracy
- *Able to work and keep a clean and professional work area
- *Perform with care to delight and grow our customer base
- *Be willing to grow and continue your education to be the best at service and repair

If you have a positive and professional attitude, are familiar with and experienced with working on all makes and models of vehicles, can diagnose the cause of any malfunction and determine needed repairs and perform required repairs and maintenance to delight our customers, we'd like to speak to you about your career in the after-market auto care industry.

Eligible candidates must have a valid driver's license and pass a pre-employment drug test.

Pay based on experience. ASE Certification a plus!
